

Monaco®

HAWORTH®

Comfort driven.

Monaco's unique combination of ergonomic adjustments and energetic form define high-performance design. This 5D Studio creation incorporates automotive inspired luxury to make Monaco the best in class. Ultra-soft leather upholstery, bolstered sides, distinctive headrest, sweeping contoured back, and adjustable lumbar support comprise a seating line of superior comfort and quality.

Large Mid-Back with loop arm with arm cap.
Fabric: Rustical Leather Nutmeg with Brushed Aluminum trim.

Four-way lumbar support adjusts to comfort muscles in the upper, middle and lower lumbar regions.

The back-height and optional lumbar adjustments allow users to customize four-way lumbar support to individual preference. A webbed seat suspension creates a plush feel while reducing fatigue. The strategically positioned headrest helps reduce neck fatigue in working and reclining positions. Additional standard ergonomic adjustments include a 3" back-height adjustment, synchronized tilt mechanism, six-position back lock and pneumatic height adjustment.

Mid-Back and High-Back models may be specified in medium and large sizes for conference and executive office settings.

Vancouver Wood: Amber on Cherry. Seating: Monaco, Large High-Back with fully enclosed arm, Rustical Leather Black with Black trim.

General Notes and Specifications All Monaco seating includes a 3" back-height adjustment, synchronized-tilt mechanism with a 2:1 recline ratio, six-position back lock and pneumatic height adjustment. Options - Medium and large sizes available for Mid-Back and High-Back models with adjustable lumbar support. Specify loop arm or fully enclosed arm in ultrasoft leather (perforated or plain) called Rustical, standard leather, fabric or COM materials. Two bases are available in Brushed Aluminum or Black finishes. Haworth backs Monaco with a Lifetime Warranty. Front cover image shown as Large High-Back with loop arm.
